BS Milkshake Text carries the spirit of anemoia, a longing for a time never experienced, and its '70s-inspired warmth into a size made for legibility. Contrast is kept soft for sturdiness through long reading, while the shapes stay round and friendly.

J, a, c, f, g, j, r, y, &, 2, 3, 5, 6, and **9** carry voluptuous drops while being quiet enough to maintain a comfortable reading. An alternate ampersand pushes the personality further for those who want it, while a subtle wave under the **Q** adds a small signature detail to an otherwise quiet letter.

The family spans ten weights, each with an italic, totaling 20 font styles, and a variable font version covers the weight and slant axes. BS Milkshake Text is the companion to BS Milkshake Display, bringing the same personality down to a size built for text.
